Dear Parents,

Parenting is a challenging yet a satisfying responsibility. We believe that education is a 24-hour process and parents are our partners in this process. To facilitate this process, we welcome you to the “**Effective Parenting**” workshop. This workshop will help you develop a positive parenting style that leads to a family where parents and children can listen to each other, support each other and have fun playing and enjoying family activities.

As partners in the process of shaping our children’s behaviour, the aim of this workshop is to provide the information and tools parents need to understand the uniqueness of children and to enable them to help each child develop into the successful human being they were meant to be.

The details regarding date and timings are as below:

Date: Saturday, December 5, 2015

Time: 1:45pm to 4:00pm

**Venue will be informed to you soon.**

Kindly be present on time to take benefit of the workshop.

Our Best,

Authorised Personnel
